### Tasting Notes

H Malbec has a deep violet and red color. Filled with aromas of plums, blackberries and charming violets floral notes. It has a medium body and excellent balance in the mouth. Great acidity and lingering flavors of dark fruits integrated with smoky and coffee notes from its oak aging give this Malbec a wide range of pairing alternatives. It goes well with lamb, poultry, beef and most cheeses.

Ideal serving temperature: 65° - 68° F.

### Elaboration Process

Hand picked grapes. Harvest on the 2<sup>nd</sup> and 3<sup>rd</sup> week of March. Temperature controlled fermentation. Aged in oak for 6 months.
