Blend and Tasting Notes

Grenache, Syrah and Cabernet Sauvignon

Lively aromas and flavors of raspberries, red cherries and blackberries. Hints of mild spices and mineral notes. Medium-body, complex and well-balanced. Gentle tannins and a charming overall mouthfeel. Pair with red meats, grilled chicken, cheese plates. Serve at 60 to 65 F.

Winemaking Notes

Fermented in stainless steel and aged in second-use French oak barrels for 8 months. Alcohol 13.2% by Vol. Our philosophy is to respect the environment in order to get natural products. We vinify with very low levels of residual sugar and only use grapes from our estates. We use slow pressings to get the best from our grapes. We also work with local yeasts to maximize the expression the terroir.
