## CAN PETIT

### Single Estate Brut Rosé NV

**Bodegas Can Petit:** Bodegas Can Petit means “small estate” in Catalan. This boutique winery is overseen by Damia Deas, who planted their 50 acres of estate vineyards in 1985. Located near Sant Sadurni de Noya in the town of Espiells, it is the highest point of elevation in the Penedes region, referred to as “Alt-Penedes” sub-region. The high altitude contributes to a slower maturation of the grapes, producing wines with a higher, yet beautifully balanced acidity.

**Tasting notes:** Bright red current color with hints of violet and a persistent mousse of fine bubbles. Medium bodied with ripe strawberry and raspberry flavors brought to life with refreshingly balanced acidity.

**D.O. Penedes:** With the Pyrenees mountains in the north, the Bardenas Reales desert in the south, and the Bay of Biscay (San Sebastian) one hour away, an interesting confluence of 3 climates is created; Atlantic, Continental and Mediterranean traveling north to south. This combined with a range of soils, altitude, sunshine and rainfall all packed into an area of 120 miles north to south and 60 miles east to west, allows for this small region to produce a variety of wine styles all from many different varieties. Very few wine regions can offer this level of quality in white, rose and dessert, under one viticultural area.
