### Tasting Notes

Deep purple red color. Intense aromas of cherries, black currants, with subtle notes of black pepper and chocolate. In the mouth, it is round, smooth, full bodied and well-structured. Vibrant acidity and with firm silky mature tannins and lingering flavors of red fruits and cacao in the finish.

### Elaboration Process

Catalpa Cabernet Sauvignon comes from a 55-year-old vineyard located in the Alto Tupungato area of Vistaflores, one of the highest wine-growing regions within Mendoza, Argentina. The vineyard is located at 3,937 feet high, enjoying a privileged sun exposure and cool temperatures that allow the grapes to ripen with intense flavors and mature tannins. The grapes are hand picked and selected in two sorting tables. Temperature controlled fermentation takes place in stainless steel tanks. Finally, 40% of the wine is aged in new French oak barrels for 12 months before bottling.
