Tasting Notes

Hinojosa Tempranillo has a deep cherry red color and intense red fruit aromas with hints of blackberry and plum. It is well balanced and medium bodied. It also has a fantastic acidity, characteristic of this fine traditional Spanish grape, and notes of chocolate and vanilla. Enjoy Hinojosa Tempranillo with red meats, strong cheeses and Tapas.

Elaboration Process

Hand picked grapes. Harvest on the 2nd and 3rd week of March. Temperature controlled fermentation. Aged in oak for 6 months.
