MYTHIC ESTATE

Malbec 2022

Mythic Winery: In the Southern Hemisphere lies a viticultural Eden bathed by an ancient ridge, where pristine glacial waters filter naturally through nutrient rich earth. This unspoiled paradise is the chosen land for growing vines. It is here where our wines are born. 300 days of sun, deep roots and alluvial soils create the most ideal conditions for these Mythic Argentine wines.

Tasting notes: Lively aromas of violet, black berry, blue berry, and mild mineral notes. Hints of dry herbs and dark chocolate. Vibrant mouthfeel balanced and well-matured tannins, medium-to-full body, and a lovely lingering finish.

D.O. Penedes: With the Pyrenees mountains in the north, the Bardenas Reales desert in the south, and the Bay of Biscayne (San Sebastian) one hour away, an interesting confluence of 3 climates is created; Atlantic, Continental and Mediterranean traveling north to south. This combined with a range of soils, altitude, sunshine and rainfall all packed into an area of 120 miles north to south and 60 miles east to west, allows for this small region to produce a variety of wine styles all from many different varieties. Very few wine regions can offer this level of quality in white, rose and dessert, under one viticultural area.
