

LongWINES

# TOCA

## Cava Brut NV

**Long Wines:** Managing Director William Long comments, “Like all the wines in our range, we tasted thousands of cavas before creating the Toca range. We hate the earthy character you sometimes find in entry-level cava and the lack of pure fruit when made from press wines. Toca is made carefully from high quality estate grown fruit to offer crisp, clean flavors and a delicate mousse.”

**Tasting notes:** Bright, pale straw. Abundant bubbles which open up and form a crown. Aromatic up-front nose with a little complexity due to age in the bottle, very fruity and clean. Good structure and well balanced. This wine has a touch of sweetness which works well with its acidity and has a long clean finish.

**Wine Makers:** Damia Deas

**Appellation:** DO Cava

**Grapes:** 50% Macabeo and 35% Parellada and 15% Xarello

**Soil:** Alluvial    **Elevation:** 820 ft    **Vine Age:** 20 years

**Vineyard practice:** Single vineyard, sustainable farming

**Fermentation:** Primary fermentation in small stainless-steel tanks for 30 days. Secondary fermentation in the bottle, following the traditional Cava method.

**Aging:** 12-15 months in bottle

**pH:** 3.21    **RS:** 11.8 grams per liter    **Alc:** 11.5 %

**UPC:** 8410023095709

**D.O. Penedes:** With the Pyrenees mountains in the north, the Bardenas Reales desert in the south, and the Bay of Biscayne (San Sebastian) one hour away, an interesting confluence of 3 climates is created; Atlantic, Continental and Mediterranean traveling north to south. This combined with a range of soils, altitude, sunshine and rainfall all packed into an area of 120 miles north to south and 60 miles east to west, allows for this small region to produce a variety of wine styles all from many different varieties. Very few wine regions can offer this level of quality in white, rose and dessert, under one viticultural area.

**Other Wines Available:**

TOCA Cava Brut Rose
